Simple Pleasures

"Some old-fashioned things like fresh air and sunshine are hard to beat." —Laura Ingalls Wilder

Welcoming Spring

The vernal equinox, which marks the beginning of spring in the Northern Hemisphere, occurs on March 20. On this day, the sun is directly over the equator, so day and night are of equal length.

Lots of Luck

No luck picking a one-in-10,000 four-leaf clover? Fortunately, there are plenty of other good luck charms around the world that are easier to find:

Acorn. This small seed packs the promise of a mighty oak. English soldiers used to pocket them for protection.

Maneki-neko. Meaning "beckoning cat" in Japanese, this waving feline statue's upright paw symbolizes good fortune.

Horseshoe. Early European settlers brought this lucky charm across the pond, and it has since evolved into a cowboy culture icon.

Harrine Singh — Most Dedicated Employee of the Quarter

Resident Assistant/Med-Tech

A bit about myself, I was born in Malaysia and came to the United States of America 15 years ago. I have 2 lovely children whom I spend most of my time with, one boy and one girl. My hobbies are badminton, singing, dancing, baking and cooking. What I love the most about my job is the residents. I love taking care of them, respecting them and making them smile. I chose to pursue a career in this field because I love working with seniors, sharing with them and I like to make a positive impact in their daily lives; they are like family. Outside of work I love to spend time with my kids and go out to different restaurants. I also enjoy going out shopping. What inspired me to join the Magnolia Crossing team was being able to help others and make a difference in their lives.

In astrology, those born between March 1–20 are Pisces. These Fish are spiritual types who feel comfortable in their introspective natures. As passionate, romantic, creative dreamers, they are charitable helpers who “go with the flow.” Those born March 21–31 are Rams of Aries. As the first sign of the zodiac, Arians charge out of the gate with energy, confidence, power and zeal. As pioneers, Arians are unafraid of the unknown. For these eternal optimists, no odds are ever considered insurmountable.
